OUR MISSION

The Georgia Association of Law Enforcement Firearms Instructors, Inc. is a non-profit membership organization with aims and purposes of providing educational services, encouraging the development of relevant training programs and criteria of Instructor Certification and conducting an Annual Training Conference aimed at "Training the Trainers."

NEWSLETTER

Our newsletter is published monthly and distributed to the membership via email. The newsletter provides a means of providing up to date information regarding GALEFI activities, new products, relevant sponsor information, training offered throughout the state and a forum for members to express their opinions, pass on important information or just put their thoughts into writing.

The Georgia Association of Law Enforcement Firearms Instructors, Inc. (GALEFI)

Sponsors - Our valued partners

The Georgia Association of Law Enforcement Firearms Instructors (GALEFI) realizes and recognizes the important contribution sponsors make to our organization. They provide a valuable resource to our given mission of “Training the Trainers” in quite a number of ways. It can be said that our organization could not, and would not, be as successful as it is today without the support brought to us through our sponsors.

In order to recognize the various levels of support provided to us by individual sponsors, we created a sponsorship hierarchy which will allow members to easily identify such commitment. The decision to choose the degree of monetary contribution to the organization should fall upon the shoulders of the individual sponsor rather than becoming a “cost of doing business” in the form of solicitation for merchandise by various members of the association. In addition, as the organization has grown, so have the various vendor requirements associated with each annual conference.

Our hierarchy is comprised of four levels; Platinum, Gold, Silver and Bronze. These levels are intended to allow the sponsor to choose that which will best fit their needs and reflect their desired image.

The sponsorship hierarchy is not intended to solicit additional monies from your company. You can choose the lowest level of sponsorship and still maintain a very visible footprint within the association. The choice is totally up to you.

It is our hope that through this hierarchy we will provide both sponsors and members with a means of establishing a continued professional relationship along a clearly defined path.

We thank you for choosing to support our organization.

Annual Training Conference

The Annual Training Conference is generally held during the month of August each year and is attended by 150—200 instructors from around the State. While the conference has been held at various locations throughout the State, for the past several years the ATC has been held in Carrollton, Georgia to great success. The Conference features various speakers, demonstrations, new products and the latest innovations in firearms training. Each conference provides the attendee with an opportunity to obtain a minimum of twenty hours of P.O.S.T. recognized training credit.
